A MESSAGE FROM THE HEADMASTER

Happy New Year

I hope you all had a pleasant Christmas.

Here we are again at the beginning of another new year - which is bound to be equally as busy as the last.

May I wish you all a happy and successful new year.

Kind regards,

Dylan Minnice (Headmaster)

END OF TERM SHOW

It gives me great pleasure to report on the success of our end-of-term show held on Thursday, 21st December. This was a show that celebrated the musicals that have been produced at the school over the past 30 years. It was a pleasure to watch over 150 Pen Llŷn pupils showing their talent on stage. Congratulations to them and everyone involved in any way to make the show a success. I would like to thank all the staff who helped in any way to ensure the success of the show. Thanks also to the parents of the pupils for your co-operation during the rehearsals and to everyone who has sent messages praising the performances.

CONTROLLED ASSESSMENTS (Coursework)

Controlled Assessments (previously called coursework) are important in most GCSE subjects. They count between 20% and 60% of the final mark in almost every subject. These are held throughout Years 10 and 11 in various subjects - from first lesson in Year 10 until May in Year 11. Most of these have to be completed within a specific number of hours under the supervision of a teacher - so if your son/daughter is absent from lessons then they will have to catch up, at lunchtime or after school.

MOCK EXAMINATIONS - FEBRUARY 5 - 9

Year 11's mock exams will take place in the period **February 5 - 9**.

HOMEWORK CLUB

Every Monday and Wednesday from 3:30 to 5:00 there is an opportunity for pupils to stay at school in the Library and Resource Centre to complete work. A member of staff will be available to help them if needed.

SUPPORTING YOUR SON/DAUGHTER WITH SCHOOL WORK

- Show an interest in your child's school work and give support according to what he / she needs. Remember that good attendance is essential - do not organise holidays during the school term.
 - Discuss what has been going on every day and how you can help.
 - Look at your child's books to understand what work is being done. Help with learning by asking questions about the work.
 - Ask about your child's work/homework and set rules regarding its completion.
 - Talk with your child about expectations, what are their hopes regarding grades, and where would they like to continue their education/training. Encourage your child to do his/her best and to aim high.
 - Make sure your child has a quiet place to do schoolwork. Try to make sure that things like phones/computers/television don't disrupt your child doing schoolwork.
 - Help your child to organize the work, giving enough time to prepare for tests and examinations.
 - Try to understand the importance of controlled assessments and examinations to the structure of the GCSE courses. Make sure you know when there are tests, assessments and examinations.
 - Attend parents' meetings to discuss your child's work with the teachers.
 - If you are unsure about anything, or need advice please contact the school to talk to Mr Dylan Minnice or Mr Geraint O. Hughes.

APPLICATION FOR FAMILY HOLIDAYS DURING TERM TIME

Directives from the Welsh Assembly via the Local Authority regarding the authorisation of school holidays during term time has been issued to all schools.

In order for us to authorise any holiday during term time parents need to make a **written** application to school **before going on holiday**.

The school's Governing Body has discretionary powers, which have been deputed to the management team, to authorise term time holidays. This will depend on:

- the length of the absence and any previous holidays,
- the pupil's current attendance rate,
- the time of year,
- the effect on the pupil's educational progress,
- any disruption to assessments / examinations

If we are unable to authorise holidays beforehand then the absence will be recorded as unauthorised on the pupil's record.

ABSENCE—INFORMING US

To ensure that everybody who should be in school is present please contact the school on the first morning of absence so that we know if your son / daughter should be here or not.

We ask you to let us know if your son / daughter is absent by calling 01758 730220 between 8:00 and 9:15 .

If the school hasn't received a call by 9:15 telling us why your child is not in school, then we will contact your home or workplace.

ADVERSE WEATHER AND CLOSING SCHOOL

If a situation arises that we have to close school for reasons beyond our control—weather, no electricity or water, etc; we will try to send a text message to every home to inform you. We can text message every home within minutes—so long as we have a valid mobile phone number.

We will also make an announcement on Radio Cymru between 7:00 a.m. and 8:00 a.m. and on the Council website - www.gwynedd.gov.uk

If we have to close school during the day and have to send pupils home for health and safety reasons we will follow these procedures:-

- i. pupils should return home on the school bus (if that is how they come to school)
- ii. pupils should then return to their home or the house of a relative or friend (according to your instructions).

THE PARENTS' ASSOCIATION

CRAFT FAIR

The Parents' Association have, once again this year, been busy organising the Craft Fair. The Fair was very successful and over £1200 was raised.

MONEY RAISING CLUB

The Money Raising Club is drawn once a term with a chance of winning up to £100. Are you a member—£12.00 a year (cheque made payable to school or direct debit order). Details available from Mrs Nerys Williams, the school's secretary - 01758 730220.

CLOTHES RECYCLING

Antur Waunfawr's Clothes recycling bin has also been successful raising over £150 last year. Remember, if you have any clothes to recycle that you can put them in the blue recycling box by the school's car park.

A big thank you to everybody who has supported these ventures. All money raised goes towards purchasing educational resources for the benefit of the pupils.

If you would like to help the Parents' Association, then please contact school or one of the officials.

Officials: Chair - Mrs Glesni Owen; Secretary - Mrs Carys Evans.

YEAR 11'S COFFEE EVENING

Year 11's annual Coffee Evening was once again a huge success this year. In order to raise money a variety of events, including a Halloween Disco, were organised.

£5500 was raised and has been distributed to charities chosen by the committee including:

Wales Air Ambulance, Ronald McDonald House, Ward Alaw (Ysbyty Gwynedd), O Ddrws i Ddrws, Rugby/football goals, Botwnnog Difibrillator.

The committee would like to thank everyone who donated items for the coffee evening and to everyone who supported the night in any way.

NUT FREE ZONE

For serious medical reasons, no nuts or products which contain nuts are allowed at school.

A nut allergy is a very dangerous condition that can lead to serious illness.

Therefore, we kindly ask you to be careful when preparing any packed lunches or snacks for your children to make sure they do not contain nuts or nut products (such as chocolate bars / energy bars / biscuits / cakes).

Thank you very much for your cooperation with this important matter.
